

WORLD OF RADIO #940, produced May 6, 1998 by Glenn Hauser

- *W.O.R. 939 was late last week on WRN Sound Store, so RFPI could not get it on air until Tuesday
- *We survived another week on WWCR UT Mon 0430 on 5070
- *HCJB expanded use of 21470 even tho they know it is damaging to RFPI; but quickly changed new NAM frequency
- *Armed Forces Day May 16-17 likely to interfere with RFPI 7385
- *Ken MacHarg says he is leaving HCJB July 1 for Florida
- *VOA Communications world may be put back together again on web; and why not on SSB? Immediate frequency change; live call-ins
- *More expanded-band action from Georgia, Colorado
- *Haitian X-band station in Massachusetts
see <http://www.radiosystems.com/am/free.radiate.html>
- *Maltese program from NY was a pilot only
- *Wavescan more reliable and up-to-date on TIAWR now
- *RCI reported to be planning new site in British Columbia
- *Cuba clashing with Ukraine again this summer; SSB frequency
- *Conditions awful last Saturday for AWR-Madagascar special; try again this week
- *Recording of AWR-Madagascar from Mauritius (2 minutes, distorted)
- *Malawi finally entering the TV age
- *The DX program host who has never used a spell-checker, Glenn Hauser on World of Radio 940; wghauser@hotmail.com or Box 1684, Enid, OK 73702. Check our all-text website:

fax: 1-580-233-2948 attn Hauser
- *Standard disclaimer, including my strange/strained voice due to a head cold peaking at recording time
- *Read the new Issue 49 of DX Listening Digest, broadcast and amateur, Run for the Border. Sample \$2.50 in North America, US\$3 elsewhere or 6 IRCs by airmail, to DXLD, address above
- *Cairo heard with much improved audio, but clash with Sweden
- *Iraq plans to consolidate radio services, get new transmitters
- *France in English to North America on new frequencies
- *Brother Stair expanding the 75mb in Europe
- *Poland's English confirmed at shifted summer time
- *R. Yugoslavia just went to summer frequencies
- *V. of Mongolia English schedule
- *Another English from Vietnam via Russia
- *Milton Keynes will soon be famous as World Radio TV Handbook HQ; how to pronounce it, and its other radio connexions
- *Why Women Don't Like DXing, our article read by Terry Burgoyne
- *Severe geomagnetic storm May 2-5 disrupted normal SW reception; aurora deep into NAM, even Cuba; blocked out NAM MW signals
- *Detailed propagation outlook from Boulder, May 5
- *That's W.O.R. 940; Glenn Hauser inviting you back next week ###
